# NINETEEN FORTY-FOUR

---

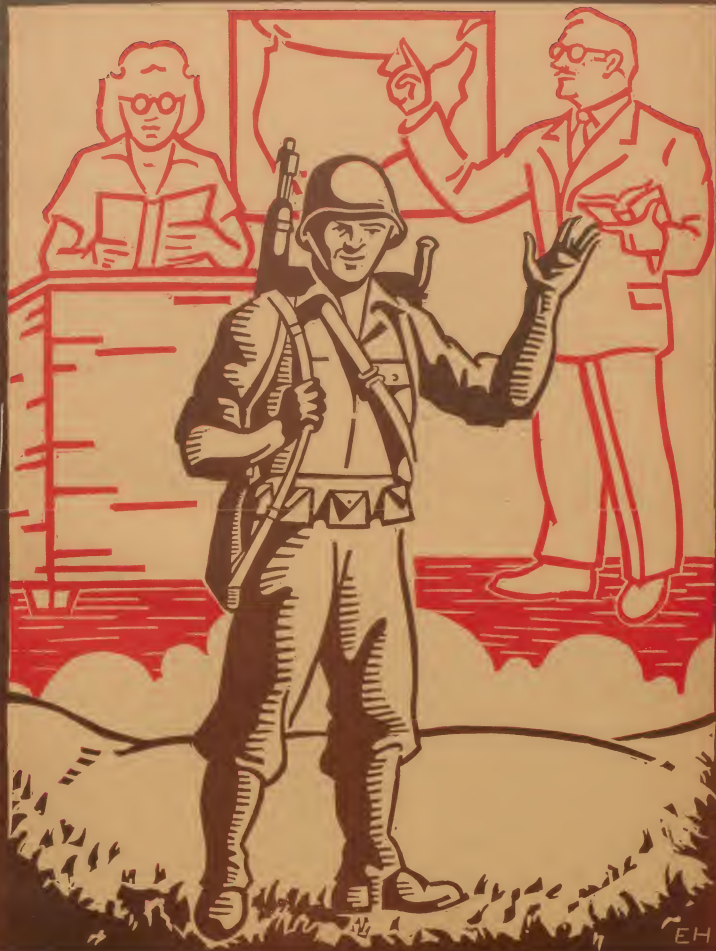

## *This Has Been A War Year...*

This year has been a war year, crowded with events and war news unlike any year that we have ever before experienced. We have participated in many war activities such as buying stamps and bonds every Tuesday and collecting paper every Friday. In the fall we accounted for \$59,438.50 on one jeep drive alone. The girls have knitted afghans, studied home nursing, and made menu covers for the Junior Red Cross. Over one half of our student body has been employed in war industries and stores in Alton, helping to ease the manpower shortage. The seventeen and eighteen year old boys who sat next to us in our classes seemed to quietly disappear either to the recruiting offices or into the services after a draft list was published, and some weeks later they came back to visit in uniform. The seriousness of war comes home to us when we see members of our families off to war, and now we are beginning to see casualty lists with familiar names on them . . . casualty lists that are just beginning to come in, and which are forerunners of much larger ones to come. Yes—this has been a war year, and we the student body of Alton High School have tried to meet the challenge.

---

OUR ADMINISTRATION

IN OUR CLASSROOMS  
AND FROM OUR  
TEACHERS WE HAVE  
LEARNED THE VALUE  
OF TRUE LEADERSHIP

The first part of the paper discusses the importance of understanding the cultural context of the research. It highlights the need for researchers to be sensitive to the values and beliefs of the communities they are studying. This is particularly important in the field of health research, where cultural differences can significantly impact the effectiveness of interventions.

The second part of the paper focuses on the methodology used in the study. It describes the process of selecting participants, collecting data, and analyzing the results. The authors emphasize the importance of using a mixed-methods approach, which allows them to combine quantitative data with qualitative insights.

The third part of the paper presents the findings of the study. It discusses the results of the quantitative analysis, which showed a significant correlation between the variables of interest. The authors also present the findings of the qualitative analysis, which provided valuable insights into the experiences and perspectives of the participants.

The final part of the paper discusses the implications of the findings for practice and policy. It suggests that the results of the study can be used to inform the development of culturally appropriate interventions and policies. The authors also discuss the limitations of the study and suggest areas for future research.

---

## ADMINISTRATION

PARMER L. EWING

*Superintendent of Schools*

Mr. Ewing is completing his second year as chief administrator of the Alton Schools. We are appreciative of Mr. Ewing's interest and cooperation in all of our undertakings.

BERTRAND L. SMITH

*Assistant Superintendent*

Mr. Smith, our new curriculum advisor, has made many friends in our high school during his first year at Alton.

### BOARD OF EDUCATION

*Standing:* L. J. Misegades, Dr. H. E. Middleton, M. W. Acker, J. J. Beeby, Walter W. Wood.

*Seated:* P. L. Ewing, Superintendent, R. H. Richards, President, Hugh Horstman, Secretary.

---

## OUR PRINCIPALS

C. C. HANNA  
*Principal*

It is with great pride that we point to the manner in which Mr. Hanna has guided our school through this war year. The courage and tact that he has shown in solving the many problems brought to our school by the war have gained our highest admiration.

RALPH KOBER  
*Assistant Principal*

As Assistant Principal, Mr. Kober has taken over much of the responsibility of routine work in the office such as program cards and absence reports. He has done a fine job of this, and we are proud of him.

---

---

## OUR DEANS

Our Dean of Girls is admired by all for her charming personality and her sympathetic understanding.

The girls of Alton High School are indeed fortunate to have the guidance of such a capable person as Miss Huebner in solving their many problems.

MARGUERITE HUEBNER  
*Dean of Girls*

Mr. Pruitt is successfully completing his second year as Dean of Boys at Alton High School. He certainly deserves much credit for the efficient way that he has handled difficult situations that always arise during any war year.

MACY PRUITT  
*Dean of Boys*

## OUR ATHLETICS

THE MUSCLE BUILDING  
TRAINING RECEIVED  
FROM HIGH SCHOOL  
SPORTS HAS FITTED  
US FOR THIS GREATER  
GAME CALLED WAR

## The Athletic Season 1943-1944

Alton enjoyed a very successful athletic season in spite of many war-time restrictions. The Army took all of the eighteen year olds, and a number of the seventeen year olds enlisted, so there were not so many boys available for teams as there usually are. But Mr. Jackson with his usual skill built a football team that won seven of the nine games played. Alton won third place in the southwestern conference and finished the season by defeating Western 33-0.

In basketball the record of our victories is not quite so impressive. But Coach Ingles built a fighting team that always gave a good account of itself.

In spite of war-time restrictions on tires and gasoline, our games were very well attended.

COACH RAY JACKSON  
*Director of Athletics*

### TOURNAMENT

Mar. 1	(Edwardsville) Lebanon	22	Alton 39
Mar. 2	(Edwardsville) Roxana	38	Alton 36

The second team should also be given a lot of credit this year. They played hard and won several of their games. Since their games were held at 7:00 o'clock, they didn't have much of a crowd, but those people who did go saw a hard fighting, fast playing team in action. There is much good material here for our teams next year.

## SECOND TEAM

*Back row:* Neal Petit, Wayne Snell, Eldon Hensen, Gene Ursch, Orville Combs, Leroy Chappell.

*Front row:* Jim Mann, Bob McGhee, Howard Eichen, Frank Dunphy.

"Hank" Tackwell and Leroy Chappell

Harvey Veit and "Red" Schumacher

Hold it!

Jimmy Youngberg  
*Manager*

Jim Schotters  
and  
Joe Naughton

Tom Beall and Bob Astroth

"Otie" Keener and Don Gaul

## FOOTBALL SUMMARY

Starting this year's football season with eight returning letter-men, the Hilltoppers trounced Benld in their first game 14-0. The aerial attack used in the Wood River game proved too much for the Oilers, our next opponents. The first defeat of the season came at the hands of East Side, this year's conference champs. The Belleville Maroons, in a hotly contested game, handed us our only other defeat. During the remainder of the season, the team was given no serious threats. Collins-

ville and Granite City were held scoreless by the line, while Moore's passing and Beall's plunging piled up the score. With the "regulars" playing half a quarter, Madison got only one touchdown while we collected forty-three points. While Beall and Jansen starred for Alton, Edwardsville failed to score in the last conference game. On Thanksgiving afternoon Alton trampled the Cadets for the thirteenth consecutive year, ending the season in glory.

## BASKETBALL SUMMARY

The average for the basketball team of '43-44 showed a very marked improvement over the team of last year.

The season started with Alton dropping the first game to Roxana 33-31. Alton led in the first three quarters but was beaten out in the last quarter to lose by two points. The next game, however, turned the tide for the Birds, and they smothered Jerseyville 54-26. The steamroller continued to roll over Madison, Belleville, and Gillespie but came to an abrupt halt when it encountered East St. Louis. The East Siders held the Hilltoppers with 28 points while they racked up 42. The following night Alton made a fine comeback to trim the Granite City Warriors 35-32. The next three contests, which were against Wood River,

Edwardsville, and Collinsville, were lost by the Redbirds.

Roxana was the next team to oppose Alton, and, contrary to their first meeting, this proved a defeat for the Shells. Alton picked up another game when they topped Madison 32-28. The Redbirds nosed out the Warriors in the next game by a score of 31-30, the point being made by Jim Schotters on a foul shot after the final gun sounded. In the next session Edwardsville topped Alton 37-22, and then Wood River did the same by a score of 47-40. The final game of the season brought Alton to face Collinsville, who was in first place and who, after defeating the Redbirds, 45-30 took the Conference crown. Alton finished the season with 5 conference victories and 9 defeats.

## 'ROUND SCHOOL

Every other Friday the whole school is keyed to excitement as the Alton High Times hits the halls. The newspaper with all of the latest news, juicy gossip and so forth.

Also, it has the news of all the sports at Alton High School.

For the best of news, on or off the spot, read the most modern, the largest, and the best staffed newspaper at Alton Hi.

We pride ourselves in bringing to the reading public (not A. H. S.) the best of all the latest quips, quarrels, and quaint bits.

Our news is up to date (not fruity), factual, and interesting (we think).

We hope that you have enjoyed our great four (sometimes five) page bi-monthly this year and we will try to continue our high standards in the future and if possible improve them.

Thank you—

★ BUY BONDS ★

## TIMES STAFF IN ACTION

*From left to right:* Ruthy Manns, William Sonntag, Bev Howard, Rinky Davis, Cis Wood, Don Jansen, Mary Kathryn Hinton, Annie Middleton, Robert Thayer, Eileen Huebner, LaVerne Gelzinnis, and Miss Florence Galley.

## SITUATION WANTED

If you think that you have writing ability or if you think you would like to write and want to try your hand at writing for a big time newspaper go see Col. McCormick or one of his assistants.

But, if you would be content to write for a school weekly come around and see Miss Galley. She will be glad to talk it over with you and maybe try you out on the ALTON HIGH TIMES.

## REDBIRDS vs. CARDINALS

In a great game the Alton High Redbirds—

But wait, a play by play account by our ace reporter, Joe Jerk (U Know Who).

"Both teams managed to get three runs across. Then in the last half of the last inning the last half of Alton's last team came to bat. With a man on third and two out I came to bat. The count was two and three and then I hit a

(cont. on next page)

## LOOKING IN THE FUTURE

For over seventy years Alton has had a glass factory. Today, the Alton Plant of the Owens-Illinois Glass Company is the largest plant of its kind in the world. It produces more glass containers than any other plant in existence, and the great majority of these containers are used for food and drugs. Glass has always been the favored container for drugs and is fast becoming prominent in the food packaging field.

As high school students, you are looking ahead to the future, wondering what it will hold. You will see new industries, new products, and out of confidence based on facts, we predict that one of these products of the future will be the glass container.

Owens-Illinois makes the famous *Duraglas* container— the product of scientific manufacture for a combination of convenience, economy, strength, and dependability. This is why the "trend to glass" makes the future even brighter.

We are proud of what Owens-Illinois represents in this community, proud too, of its working conditions, group insurance, retirement income, suggestion awards, health and safety programs.

Owens-Illinois feels that it as a company of individuals and you as an individual have much in common.

We, like you, are *looking ahead*.

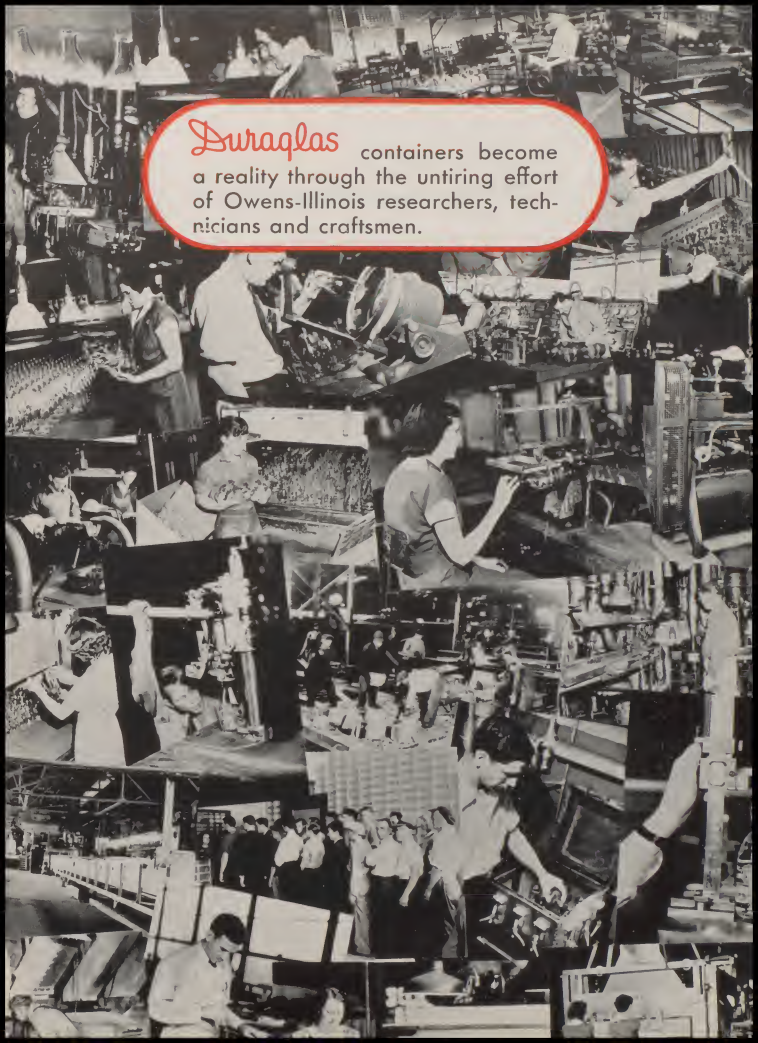

## OWENS-ILLINOIS GLASS CO.

ALTON, ILLINOIS

*Makers of Duraglas Containers*

*Duraglas* containers become  
a reality through the untiring effort  
of Owens-Illinois researchers, tech-  
nicians and craftsmen.

# *Western* - WINCHESTER

Products, bearing either of these two famous names, have served America for many years. They have demonstrated time and again their high quality of workmanship, design, and material.

## *Western*

Ammunition  
Traps and Targets  
Blasting Caps  
Railway Fusees and Torpedoes  
Hi-Way Signals  
Dynamite  
Blasting Powder  
Brass Mill Products

## WINCHESTER

TRADE MARK

Shotguns  
Rifles  
Ammunition  
Flashlights  
Batteries  
Brass Mill Products

Today the huge facilities of WESTERN and WINCHESTER are pledged in an all-out effort for victory to hasten the day when these products will again be available in unlimited quantities.

**WESTERN CARTRIDGE COMPANY**  
EAST ALTON, ILLINOIS

SHURTLEFF COLLEGE is in a very definite way an ALTON institution. It has been in continuous operation in Alton for over 112 years.

ALTON youth have attended Shurtleff and usually constitute a large percentage of her student body.

ALTON citizens in large numbers have had their higher education at Shurtleff College.

SHURTLEFF COLLEGE is today forward-looking and aggressive, offering as fine an opportunity in the fields of Liberal Arts and pre-Professional courses as can be offered by any other small independent college.

## INDECO GUIDES TO BETTER ANNUALS

### STABILITY

Since the turn of the century the Indianapolis Engraving Company, Inc., has maintained the highest standards of quality and intelligent cooperation, thus accounting for the continuous use of our service by many high schools, colleges and universities.

### QUALITY

Indeco quality is the finest that modern equipment and skilled craftsmen can produce. Every engraving is unconditionally guaranteed to be a perfect printing plate and to give a faithful reproduction of your engraving copy.

### SPECIALIZATION

Our service includes help in planning and designing, suggestions on how to get the best pictorial effects, assistance in preparation of engraving copy, and solving the many problems arising in making your book both an editorial and financial success.

### IDEAS

The latest ideas in yearbook construction are offered to make the annual best meet the requirements of your particular school. Our "Service Manual" is a complete guide for the staff in their work.

### RESULTS

Indeco planned yearbooks have long been recognized as being among the outstanding annuals of the country. You will be agreeably surprised, too, at the purchasing power of your budget. Write us asking for a complete explanation of the Indeco plan.

## *A Word from the Editors . . .*

Perhaps this volume should not go to press without a word of appreciation to some of the people who have made it possible.

To Travis Streeper who served as our photographer and to Bill Sonntag and Bill Dick who made our informal photographs around school, goes much of the credit for the success of this book.

The two-color division pages were printed from linoleum blocks cut by Erwin Hebner. The cartoons on the cover design and the end sheets were designed by Eleanor Middleton. To the editorial staff consisting of Dorothy Stockdale, Emma Buttle, Winifred Jennings and Betty Wilkey go appreciation for the actual writing of the book.

No Annual is possible without financial backing and so perhaps our greatest thanks go to our business manager Charles Orstot, who persuaded the business men to advertise with us. Jim Koenig was an excellent circulation manager.

And last, but not least, we want to express our appreciation to our faculty advisor, Miss Williamson, without whose help, our book would not have been possible.
